

PLEASANT HILL POLICE DEPARTMENT
Special Services Unit

The Pleasant Hill Police Department's Special Services Unit is comprised of two specialized teams: The Tactical Negotiation Team (T.N.T.) and the Special Weapons and Tactics (S.W.A.T.) Team. The Unit was established to provide a ready response to situations that were beyond the capabilities of normally equipped and trained Department personnel.

The Unit is composed of highly trained personnel equipped with specialized equipment and armament, operating under the principles of self-sufficiency, stealth, speed, stratagem and synergism. The Unit is tasked with handling any situation where conventional police tactics and equipment maybe inadequate.

The Unit trains every month to maintain proficiency and expand their operational capabilities. The Unit is commanded by a lieutenant and the teams are lead by sergeants. The Unit Commander and team leaders are responsible for training and logistics for the Unit.
